

## Press Release

### **Leviton Canada Announces the Appointment of Matthew Dudka as Sales Director, Western Canada**

**POINTE-CLAIRE, QC, June 20, 2025** – Leviton Canada is pleased to announce the appointment of Matthew Dudka to the position of Sales Director for Western Canada. With over 20 years of experience in sales and a strong educational foundation as an Electrical Engineering Technologist, Matthew brings a wealth of knowledge and a proven track record of success to this new role. His extensive industry expertise and strategic approach to sales leadership make him an ideal fit to lead our Western Canada team.

Throughout his career, Matthew has consistently demonstrated a commitment to excellence, innovation, and customer satisfaction. His ability to drive growth and build lasting relationships aligns perfectly with Leviton's mission to deliver high-quality, forward-thinking solutions to our clients.

As Sales Director, Matthew will be instrumental in advancing Leviton's presence and performance across Western Canada. We are confident that his leadership will contribute significantly to our continued success in the region.

We warmly welcome Matthew to his new role and look forward to the positive impact he will bring to our organization and our valued customers.

#### **About Leviton**

Every day, Leviton is engineering possibilities that make the future happen, meeting the needs of today's residential, commercial, and industrial customers globally. From electrical, to lighting, to data networks, and energy management, Leviton develops thoughtful solutions that help make its customers' lives easier, safer, more efficient and more productive. Driven by its commitment to its customers, the ingenuity of its employees and the safety and quality of its products and solutions, with Leviton, the FUTURE IS ON.
