

Press Release

Leviton Canada Partners with The Titan Group to Strengthen Midwest Presence

POINTE-CLAIRE, QC, January 16, 2026 – Leviton Canada is proud to announce its partnership with The Titan Group, who will now represent Leviton's Residential and Commercial & Industrial product lines across the Midwest provinces, effective January 1, 2026.

"We're excited to begin our partnership with Titan," said Bill Tischner, Western Sales Director. "Their industry expertise, commitment to service, and collaborative spirit make them a great fit. We look forward to the momentum and fresh opportunities this new relationship will create."

Alongside our new partnership with The Titan Group, we will maintain our current Leviton representative, Justin Chabot-Guertin, in the region, ensuring expanded coverage and an enhanced level of service for our Midwest customers. We extend our thanks to Justin for his continued dedication in supporting such a large territory and for taking on a key leadership role in managing this partnership moving forward.

Leviton Canada is enthusiastic about what lies ahead and confident that The Titan Group will be instrumental in strengthening our presence and influence across the Midwest. We're eager to see the achievements and progress this new collaboration will bring.

About Leviton

Every day, Leviton builds what's next to light, power, and connects everyday spaces to meet the needs of its residential, commercial, and industrial customers globally. From controls, to lighting, to electrical, to networking, Leviton's relentless innovation for more than a century enables our customers' lives to be easier, safer, more efficient, productive and sustainable. Driven by its commitment to its customers, the ingenuity of its employees, and the safety and quality of its products and solutions, with Leviton, the FUTURE IS ON.
